The Tahsildar, Karkal has submitted an arrear T.A. bill of one of K.P. Ahmed Miya ex.peon under the Special Revenue Inspector for wells for November 1947 for Rs.53- 9-0. The Tahsildar reports that the peon put forward his claim in December 1947 along with the T.A. claim of the Special Revenue Inspector for wells, that certain objections were raised on the claims of the Special R.I. for wells and that after further enquiry, the Revenue Divisional Officer, Coondapur disallowed a portion of R.I's Travelling allowance for rapid marches on certain days. The Tahsildar, Karkal submitted a fresh T.A. bill for the Special R.I. on 22- 7-48 omitting unnecessary marches. The Revenue Divisional Officer in his Prgs.L.Dis. 3802-48 dated 4-7-48 directed the payment of the T.A. due to the Special R.I. but omitted to mention anything about the peon The T.A. bill of the peon thus remained undrawn.

2. The omission was detected on 3-3-49 the date on which the claimant presented a petition to the Tahsildar, Karkal claiming Travelling Allowance for November, 1947.

3. The date of detection of under payment is 3-3-49 and the claim relates to November, 1947. Orders of Government required for payment of the arrear claim under sub para. 3 of Article 54 of Madras Financial Code Volume- I may be obtained.

4. The bill for Rs.53- 9-0 and the connected papers are submitted for reference and return.

Particulars required as per S.R.61 (3) dated 20-1-43.
In duplicate.

i) Period to which the arrear claim relates. - November, 1947.

ii) Period for which it should be investigated - do.

iii) The amount involved in the claim - Rupees fifty three and annas nine only.

iv) Reasons for the delay in preferring the claim. - K.P. Ahmed Kiya, the present claimant has put forward his claims for the T.A. for November, 1947 in the month of December, 1947 along with the T.A. claim of the Spl.A.I. for wells, Karkal under whom he was working as a peon. Objections were raised on the claim of the Spl.A.I. The correspondence was long drawn and for this period orders on the T.A. claim of K.P. Ahmed Kiya were withheld. In Para. 3 of the Coondapur A.S.O.'s Prgs. L.Dis.5802/48 dated 4-7-48, there was instruction to prepare the T.A. bill of the Spl.A.I. for November, 1947. There was no mention of the peon. Hence perhaps only the T.A. bill of the Spl.A.I. was submitted. The peon's claim was not included inadvertantly. The omission was detected on 5-3-48, the date on which the claimant preferred his claim for the arrears and the bill was submitted after verifying all the previous connected records. Hence the delay.

v) Grounds adduced for the condonation of the delay. - As detailed above.

P.T.O.

vi) whether the applicant was responsible for the delay and if so what his explaination is, etc.etc.

vii) Period and ~~th~~ amount for which the Collector recommends the payment of arrears. — No.

If the Collector recommends the payment of arrears in full with reference to the 3rd Para. of Abstract 54, Madras Finance Code, VOL.1, he should give full reasons for His recommendation. —
